

The Mark Davis Hospitality Scholarship

About:

The Mark Davis Hospitality Scholarship was established to honor the passion, work, and love for life of Lake Tahoe Community College's Chef Mark Davis, and to support students pursuing a bachelor's degree in Hospitality Business Management through Washington State University's Global Campus.

Chef Mark was a long-time culinary and hospitality educator, restaurateur, outdoor enthusiast, and engaged community member. His dedication to not only the Hospitality and Culinary industry but the art and service required in those fields serves as a touchstone for future chefs, general managers, entrepreneurs, all those who feel the calling of a career in Hospitality. Chef played a critical role in helping build a culinary apprenticeship program in Tahoe, solidify our local relationship to the Hospitality Business Management Program at Washington State University and was selected as the first full-time, tenure-track Hospitality/Culinary faculty at Lake Tahoe Community College. He also helped design and launch a new Hospitality Management Associate's degree program at the college.

The ADVANCE program, in collaboration with our partners at the Tahoe Culinary Academy at LTCC, will award \$1,000 scholarships to individuals looking to further their education and career in the Hospitality industry. These are unrestricted scholarships in that there are no requirements on how recipients spend the funds.
